=== SECTION: CHARGE ===

CHARGE SHEET — EXTRACT (FICTION)

Defendant: ZARA WRIGHT

Offence(s) as tag: Drug driving (fictional charge drafting for test data).

Plea: Not guilty (fictional).

=== SECTION: MG5 ===

MG5 — CASE SUMMARY (DRAFT)

Allegation (fiction): At a Northshire location, the Crown allege conduct consistent with Drug driving.

The defence account (fiction): denies the core allegation or disputes the precise mechanics where relevant.

Grounds for dispute / friction (fiction): Metadata optional.

CCTV / tech: see MG6 and extracts for served vs outstanding detail.

Drug-driving detail (fiction): issue turns on roadside signs, timing, and toxicology continuity, not possession/supply allegations.

=== SECTION: MG6 ===

## MG6(a) — SCHEDULE OF INITIAL DISCLOSURE (FICTION)

| Category                                             | Served (initial)       | Awaiting / Retained / Note           |
|------------------------------------------------------|------------------------|--------------------------------------|
| -----                                                | -----                  | -----                                |
| MG5 case summary                                     | yes (draft)            | final after reconciliation           |
| MG11 key witness                                     | yes (signed)           | none                                 |
| CCTV / footage list                                  | yes (partial / served) | continuity statement / engineer note |
| 999 calls                                            | served                 | full audio served (with timestamp)   |
| CAD / dispatch                                       | partial print served   | fuller narrative attachment          |
| Forensics / medical                                  | strategy note served   | lab report / GP records              |
| Continuity / chain                                   | confirmed              | none                                 |
| Example “tension” note (fiction): Metadata optional. |                        |                                      |

=== SECTION: MG11 ===

### MG11 — KEY WITNESS STATEMENT (EXTRACT)

Status marker (fiction): signed statement.

I describe what I saw / heard as best as I can. I am aware that some timing and detail may be uncertain.

I mention that CCTV and/or 999 material exists but that the version served might be incomplete or extracted.

=== SECTION: CCTV\_999\_CAD ===

### CCTV / 999 / CAD / BWV — EXTRACTS (FICTION)

CCTV note: schedule tidy; continuity confirmed.

999 note: partial extract served; full master awaited or flagged for reconciliation.

CAD note: dispatch line present; fuller log or narrative attachment listed on MG6.

=== SECTION: DISCLOSURE ===

### DISCLOSURE CHASE — EXTRACT (FICTION)

Email: “Please confirm outstanding items so we can update the MG5 narrative and reconcile the schedule before next hearing.”

=== SECTION: INTERVIEW ===

### INTERVIEW SUMMARY — IR-### (FICTIONAL EXTRACT)

Caution given. Defendant gives partial account: denies core allegation or claims alternative explanation.

No comment on certain technical matters; requests full disclosure of the CCTV/999 scope.

=== SECTION: EXHIBITS ===

### EXHIBIT LIST (FICTION)

EX-CCTV-86 (served)

EX-999-TXT (extract; served)

EX-CAD-800436 (partial print)

EX-MG6-EMAIL (chase)
